MISSION

• In partnership with 160 countries worldwide, Fulbright offers passionate and accomplished faculty, administrators, artists, journalists, lawyers, and other professionals from all backgrounds an unparalleled opportunity to study, teach, or conduct research.

• Our mission is to foster mutual understanding between nations, advance knowledge across communities, and improve lives around the world.

A BRIEF HISTORY

• Established in 1946 by Congress, Fulbright is the United States government’s flagship international educational and cultural exchange program.

• Fulbright is sponsored by the U.S. Department of State with funding provided by the U.S. Government and administered by the Institute of International Education.
Diversity, Equity, Inclusion, & Accessibility

The Bureau of Educational and Cultural Affairs (ECA) of the United States Department of State strives to embed diversity, equity, inclusion, and accessibility (DEIA) in all aspects of its work.

Public diplomacy is most effective when people of diverse backgrounds and perspectives participate in people-to-people exchanges and programs to promote mutual understanding. The Bureau incorporates DEIA best practices throughout its exchanges and programs, grants, community partnerships, and in its workforce and workplace.

ECA is committed to addressing barriers based on race, ethnicity, color, national origin, sex, age, disability, sexual orientation, gender identity or expression, religion, geographic location, education, income, socio-economic status, and other diversity dimensions, that may hinder inclusion in the organization. The Bureau’s commitment to DEIA strengthens U.S. foreign policy and is vital to building trust and partnerships here at home and around the world.
